

The Children's Wish
Foundation of Canada

Spring 2010

To whom it may concern:

The Pink Slips Car Club has selected The Children's Wish Foundation of Canada as its charity partner during 2010 and beyond. This unique organization will support wish granting through various fundraising events at vintage car shows and events beginning in March 2010. We encourage you to support the Club's efforts on our behalf.

Children's Wish is a grassroots charity dedicated to providing a once-in-a-lifetime experience to children diagnosed with life-threatening illnesses. Established in 1984 on the kitchen table of an inspired and committed volunteer, Children's Wish has grown into a national organization with chapters in every province.

Children's Wish has granted more than 15,000 wishes for children and their families and fulfills more than 900 wishes annually. Each wish is an individual adventure, carefully structured to meet the needs of each particular child.

For a child whose wish is about to be granted, the pain and discomfort of the illness, and often harsh treatment regimes, somehow becomes more bearable. For many, the excitement of planning and anticipating their dream has a dramatic effect on their healing. These courageous youngsters often experience a renewed sense of energy and hope as they see a different kind of light at the end of the tunnel.

No eligible child has ever been denied a wish and there is no waiting list. For more information, visit www.childrenswish.ca.

Thank you for your consideration.
